

Consist Group Cookie policy

All terms not defined herein shall have the meaning ascribed to them in our Terms of Use or Privacy Policy.

ABOUT US

This website www.consist.co.il including its related sub-domains (the "Website"), is operated by Consist (Israel) Software and Computer Solutions Ltd., Consist Systems Ltd. and Consist Technologies Ltd., affiliated companies incorporated in the State of Israel and with their registered office 2 Granit, Petah Tikva, Israel.

In this Cookie Policy when we refer to "Consist", "our", "we" or "us", we mean any of those Consist group companies and they are collectively referred to as the "Consist Group".

Our Website uses cookies. A cookie is a small text file that can be stored on your computer or any other device when you visit websites. If those cookies are not strictly necessary for the provision of our Website and services, we will ask you to consent prior to our use of cookies when you first visit our Website. You have the right to decide whether to accept or reject such cookies. You can change your cookie preferences at any time by clicking on cookie banner at the bottom of the Website.

WHAT IS A COOKIE?

Information is saved in this text file, such as your choice of language on a Website. When you visit the Website later again, this cookie returns to the concerned Website. In this way, the Website recognizes your browser and can for example retain your choice of language.

Cookies usually also have an expiration date. For example, some cookies are automatically deleted when you close your browser (so-called session cookies), while others can be stored longer on your computer, sometimes until you delete them manually (so-called permanent or persistent cookies).

We use both first-party cookies and third-party cookies – which are cookies from a domain different than the domain of the website you are visiting.

COOKIES THAT WE USE

We use different types of cookies on this Website:

- (a) Essential Cookies. We use essential cookies to authenticate users, prevent fraudulent use of the Website, and to allow the Website and its features to function properly; and
- (b) Analytics Cookies (Optional). Our analytics providers use cookies as part of their tools. Analytics cookies allow us and our analytics providers to recognize and count the number of users to the Website, see how users interact with the Website and different functions, and when users are using the Website. We use this information to improve the Website.

- (c) Marketing Cookies (Optional). Third parties use cookies to build a profile of your interests to show you relevant content and advertisements on other websites. Marketing Cookies are based on your uniquely identifying browser and Internet device. If you do not allow these cookies, you will experience less targeted advertising.
- (d) Video Player Cookies (Optional). Our Website contains some video content. If you enable this setting, this may result in the video sharing platform collecting information about your viewing for analytics and advertising purposes. If you do not enable this setting, you will not be able to watch the video content.

LIST OF ESSENTIAL COOKIES

You cannot block these cookies if you want to access this Website.

Name	Expiry	Description	Type	Specific Website
ASP.NET_SessionId	At the end of the session	This cookie is used in sites developed with Microsoft.Net. When a user start browsing a unique session ID is created, which keeps track of all the information regarding that session. This information is stored in the web server and it is identified via a GUID. The GUID is essential for any ASP.NET site to function properly.	Third Party	Consist.co.il
__cfduid	Used to last 30 days	The cookie is used by cdn services like CloudFare to identify individual clients behind a shared IP address and apply security settings on a per-client basis. It does not correspond to any user ID in the web application and does not store any personally identifiable information.	First party	doxi.co.il nagix-ua.com
_requestverificationtoken	At the end of the session	This cookie is an anti-forgery token (prevent CSRF attack). It guarantees that the poster is the one who gets the form. It prevents from anybody to forge a link and have it activated by a powered user. This cookie is created by the framework.	First party	doxi.co.il
cc_direct_phone_number	1 day to 2 years	This cookie is associated with CookieConsent, a platform that helps websites manage user consent for cookies and tracking technologies. This	First party	sendix.co.il

		specific cookie is used to store the user's direct phone number consent preferences.		
visitor_privacy_metadata	6 months	set by YouTube to manage and store a user's privacy preferences when interacting with embedded YouTube videos on websites. This cookie ensures that a user's consent choices regarding data collection and privacy settings are respected during their interaction with YouTube content.	Third party	doxi.co.il nagix-ua.com

LIST OF FUNCTIONAL COOKIES

Name	Expiry	Description	Type	Specific Website
NID	6 months from the user's last use	Used by Google to remember user preferences and other information, such as preferred language and SafeSearch settings	Third party	doxi.co.il sendix.co.il

LIST OF ANALYTICAL COOKIES

You can decline these cookies if you want to visit our Website.

Name	Expiry	Description	Type	Specific Website
__utma	2 years from the last visit	This cookie is set by Google Analytics and is used to distinguish users and sessions. The cookie is created when the JavaScript library executes and there are no existing __utma cookies. The cookie is updated every time data is sent to Google Analytics.	First party	Consist.co.il
__utmc	At the end of the session	The cookie is set by Google Analytics and is deleted when the user closes the browser. The cookie is not used by ga.js. The cookie is used to enable interoperability with urchin.js which is an older version of Google analytics and used in conjunction with the __utmb cookie to determine new sessions/visits.	First party	Consist.co.il
__utmz	6 months	This cookie is set by Google analytics and is used to store the traffic source or campaign through which the visitor reached your site.	First party	Consist.co.il
__utmt	10 minutes	The cookie is set by Google Analytics and is used to throttle request rate.	First-party	Consist.co.il
__utmb	30 minutes from the last user interaction	The cookie is set by Google Analytics. The cookie is used to determine new sessions/visits. The cookie is created when the JavaScript library executes and	First party	Consist.co.il

		there are no existing __utma cookies. The cookie is updated every time data is sent to Google Analytics.		
_gid	1 day	Installed by Google Analytics, it stores information on how visitors use a website and creates analytics reports.	First-party	doxi.co.il
ga	2 years	Used by Google Analytics to persist session state.	First-party	doxi.co.il sendix.co.il
ga#	2 years	Used by Google Analytics to persist session state	First-party	doxi.co.il sendix.co.il
cc_fbq_time	1 day to 2 years.	cookie is associated with CookieConsent, a platform that helps websites manage user consent for cookies and tracking technologies. This specific cookie is used to store the timestamp of when the Facebook Pixel (fbq) was initialized or triggered on the website.	First-party	doxi.co.il
cc_ga4_cid	session	The cc_ga4_cid cookie is associated with Google Analytics 4 (GA4) and is used to store the Client ID (cid). The Client ID is a unique identifier assigned to each user to track their interactions across sessions on a website.	First-party	doxi.co.il
The cc_cid	2 years	The cc_cid cookie is associated with CookieConsent, a platform that helps websites manage user consent for cookies and tracking technologies. This specific cookie is used to store the Client ID (cid), a unique identifier assigned to each user to track their interactions across sessions on a website.	First-party	doxi.co.il
client_id	2 years	The client_id is a unique identifier assigned to each user by Google Analytics to track individual interactions on a website. This identifier helps in distinguishing unique users and analyzing their behavior across sessions.	First	doxi.co.il
lastExternalReferrer	Session	cookie is designed to store the URL of the website that directed the visitor to the current site. This information is primarily used for tracking and analytics purposes, helping website owners understand traffic sources and user navigation patterns.	Third party	doxi.co.il sendix.co.il

LIST OF MARKETING COOKIES

Name	Expiry	Description	Type	Specific Website
_fbp	3 months	Set by Facebook to display advertisements on Facebook or on a digital platform powered by Facebook advertising after visiting the website	Third-party	doxi.co.il
lastExternalReferrerTime	Persistent; remains on the user's device until deleted	Cookie is utilized to detect how a user arrived at a website by recording the last external URL they visited before landing on the site	Third-party	doxi.co.il sendix.co.il
test_cookie	15 minutes	Set by doubleclick.net to determine if the user's browser supports cookies	Third-party	doxi.co.il
cc_ga4_cid	1 day to 2 years.	The c_ga4_cid cookie is associated with Google Analytics 4 (GA4) and is used to store the Client ID (cid). The Client ID is a unique identifier assigned to each user to track their interactions across sessions on a website.	First-party	doxi.co.il
test_cookie	15 minutes	Used by Google's DoubleClick (advertising platform) to determine if cookies are enabled in a user's browser.	Third-party	doxi.co.il
cc_fbq_account	7 days	cc_fbq_account cookie is associated with CookieConsent, a platform that helps websites manage user consent for cookies and tracking technologies. This specific cookie is used to store information related to the Facebook Pixel (fbq) account, facilitating the integration of Facebook's tracking and advertising services on the website.	First-party	doxi.co.il

LIST OF VIDEO PLAYER COOKIES (OPTIONAL)

YouTube embedded player

Name	Expiry	Description	Type	Specific Website
visitor_privacy_metadata	6 months	set by YouTube to manage and store a user's privacy preferences when interacting with embedded YouTube videos on websites. This cookie ensures that a user's consent choices regarding data collection and privacy	Third party	doxi.co.il nagix-ua.com

		settings are respected during their interaction with YouTube content.		
VISITOR_INFO1_LIVE	5 months 27 days	Set by YouTube to measure bandwidth and determine whether the user gets the new or old player interface.	Third party	doxi.co.il nagix-ua.com sendix.co.il
YSC	Session	Set by YouTube to track views of embedded videos.	Third-party	doxi.co.il nagix-ua.com sendix.co.il
_Secure-ROLLOUT_TOKEN	180 days	set by YouTube to register a unique ID that keeps statistics of what videos from YouTube the user has seen	Third party	doxi.co.il

HOW CAN I SEE WHICH COOKIES ARE SAVED IN MY DEVICE AND HOW CAN I DELETE THEM?

If you wish to know which cookies have been saved on your device or if you can delete them, you can use a parameter of your browser. To disable cookies and limit the collection and use of information through them, you can set your browser to refuse cookies or indicate when a cookie is being sent. When you opt-out, and opt-out cookie will be placed on your device. The opt-out cookie is browser and device specific and will only last until cookies are cleared from your browser or device. You will find more information on how to do it via the following links.
